

## Second Grade Summer Reading List 2022-2023

WHAT your child reads is not nearly as important as the mere fact that s/he is reading every day. Ideally, your child is selecting books that are not too easy and not too hard. They should also be books that your child is really interested in reading. Here are a few ideas, just in case you are struggling for titles.

### 2nd grade Battle of the Books List

A Picture Book of Helen Keller	D. Adler
The One and Only Ivan	K. Applegate
The Good Dog	Avi
Crown: An Ode to the Fresh Cut	D. Barnes
The Quiltmaker's Gift	J. Brumbeau
A Lion to Guard Us	C. R. Bulla
Fractions in Disguise-A Math Adventure	E. Einhorn
The Original Adventures of Hank and Cowdog	J. R. Erickson
The Year of Miss Agnes	K. Hill
Henry's Freedom Box	E. Levine
The Camping Trip that Changed America	B. Rosenstock
Rump: The True Story of Rumpelstiltskin	L. Shurtliff
Wishworks, Inc.	S. S. Tolan
Charlotte's Web	E. B. White
The Earth Dragon Awakes	L. Yep

I would encourage you to let your child join the summer reading club at one of the public libraries and/or one of the local bookstores. There are incentives for time spent reading, or books read. This is very motivational for some of them. Summer theme: read, read, read.
